**Map 1** – From the main concourse of New Street station follow the exit signs for New Street.

**Map 2** – (following the **red dotted** path) turn right out of the station exit and follow the path straight on (the Pallasades shopping centre will be above in front of you), keep close to the shops on the right and you will pass a William Hill betting shop just as you walk under the shopping centre. On the other side of the shopping centre continue to follow the walkway with the train lines on your right, turn right at the end of the walkway following signs for Buses, TK Maxx and Bullring. When standing by the bus stops there will be a tunnel on your left going under Hollister. Cross the road (there is a pedestrian crossing in front of Boots) and turn left.

Walk through the tunnel. You will come out with Moor Street station in front of you on the other side of the road. Cross the road using the pedestrian crossing so that Moor Street station is now in front of you, turn left to walk along Moor Street Queensway with Moor Street station on your right.

Walk past Moor Street station and a car park will now be on your right, looking ahead you will see Hotel La Tour and Millennium Point will be visible to the right of the hotel.

At Hotel La Tour, bear right in front of the hotel so that the hotel is now on your left. Walk towards Millennium Point and cross the road so that the Hive complex of apartments is now on your left. You will come to a pedestrian crossing, cross the road and walk straight on through Eastside City Park towards Millennium Point. Walk past the outdoor science garden on your left and then turn left. Walk past the blue ticket booth and turn right. The entrance to Millennium Point will be on your left.

Enter Millennium Point and make your way to the lifts, take the lift to level 3 and the entrance to the Careers Open Day will be on your left.

**Alternative route** – (green dotted path), instead of bearing right in front of Hotel La Tour you can continue along Moor Street Queensway onto Jennens Road (past Birmingham Metropolitan Collage) then enter Millennium Point from the North entrance.
