It is possible to share sponsorship of some of the above items. Sourcing and producing your own product would also be considered if done in liaison with and the product is acceptable to, The OR Society. Please contact Hilary below to discuss.

A copy of the Handbook may be printed for each delegate and a copy added to the delegate USB along with a copy of the Proceedings. Printed copies of the Proceedings are referenced with an ISBN number, sent to Elsevier, listed in SCOPUS and placed in the ORS Library and other institutions.

These figures above are based on 100 delegates attending and part sponsorship or other options not mentioned will be considered.

To sponsor an item please email your requirements along with your full contact/invoicing details to: Hilary Wilkes at [hilary.wilkes@theorsociety.com](mailto:hilary.wilkes@theorsociety.com) or post to her at The OR Society, 12 Edward Street, Birmingham B1 2RX.
